Dear Program Administrators:

The United States Pretrial Services and Probation Office for the Northern District of Ohio intends to solicit proposals to provide substance abuse, mental health, sex offender and cognitive behavioral treatment services for federal defendants and offenders for Fiscal Year 2017, which begins October 1, 2016.

Request for Proposals (RFPs) will be accessible on our website in early-June:
www.ohnd.uscourts.gov/home/u-s-pretrial-services-probation-office under **Services-Treatment Services Vendors**.

Please check this site often as this will be our primary source of communication during the solicitation cycle. All questions and clarification may be submitted via the "Submit a Question" link on the website and will be answered and posted under the Frequently Asked Questions section within 3 business days of receipt. In July, we will be holding a Bidders Conference to address any questions or concerns. This date will be posted to our web page once the RFP is published.

Sincerely,

Burton E. Maroney
Chief Pretrial Services and Probation Officer
