Getting Started

Introduction

This manual provides instructions on how to use the Electronic Filing System (CM/ECF) to file documents with the Court, and to view and retrieve docket sheets and documents. The screen shots that appear in this manual could appear slightly different as you electronically file your documents due to future enhancements or upgrades. All users should have a working knowledge of Internet Explorer or Mozilla Firefox and Adobe Acrobat. For questions regarding Internet Explorer or Mozilla Firefox and Adobe Acrobat, please refer to their specific instruction manuals.

Help Desk

Contact the Court's Help Desk between the hours of 8:00 a.m. and 4:45 p.m., Monday through Friday, if you need assistance using CM/ECF. It is also available at all other times to record voice mail messages.

The Court's Website Information

The Court's website, located at www.ohnd.uscourts.gov, is a useful tool with an abundance of information. By accessing the site, users are able to:

- View or download the most recent version of the User's Manual
- Find "how to" video instructions/demonstrations and tip sheets on a variety of topics regarding CM/ECF
- Self-train on a web-based CM/ECF Tutorial (Training Area)

CM/ECF System Capabilities

The Electronic Filing System allows registered participants with an Internet account and a compatible internet browser (i.e., Internet Explorer or Mozilla Firefox) to perform the following functions:

- Practice filing documents electronically in CM/ECF using a “training” database that is similar to the official live CM/ECF database
- Electronically open new civil cases (“live”)
- Electronically file pleadings and documents in actual (“live”) cases
- View official docket sheets and documents associated with cases
- View various reports (*e.g.*, Cases Filed Report, Calendar) for cases that were filed electronically
- Electronically serve documents to attorneys/parties who are set up to file electronically

Requirements

Hardware and Software Requirements

The hardware and software needed to electronically file, view and retrieve case documents in CM/ECF include:

- A computer running a Windows or a Macintosh operating system
- An internet provider
- Adobe Acrobat 5.0 or higher or other software capable of converting documents from a word processor format to the portable document format (PDF)
- A PDF-compatible word processor like Macintosh or Windows-based versions of WordPerfect and Word

- A compatible internet browser – CM/ECF 6.1 has been tested and works correctly with Internet Explorer version 8 and 9, Firefox and Safari; other versions and browsers may also work but the Court may be unable to provide support should problems arise
- Access to a scanner for non-computerized documents that need to be imaged

NOTE: This would only be used for documents that cannot be produced electronically. The Court prefers that documents be converted to PDF rather than scanned because converted documents provide text search capabilities and greatly reduce the file size. The Court is moving away from the utilization of scanned documents and is asking attorneys to do the same whenever possible. If there is a need to scan a document, the Court recommends scanner settings of 300 pixels per inch (ppi), or higher, for scanned documents.

PACER Registration

CM/ECF users must have a PACER account in order to use the Query and Reports features of the CM/ECF system. If you do not have a PACER login, contact the PACER Service Center to establish an account. You may call the PACER Service Center at (800) 676-6856 for information or to register for an account. Also, you may register for PACER online at <http://pacer.psc.uscourts.gov/register.html> A link to PACER's site is also provided on the Court's web site.

Registering for Access to CM/ECF

A party seeking to file documents electronically must submit a completed Electronic Filing System Registration form prior to being assigned a user identification name and password that will serve as that party's signature for Fed. R. Civil P. 11 purposes. [Click here for registration.](#)

Forms may also be downloaded, completed and mailed/faxed to:

Sandy Opacich, Clerk
US District Court, Northern District of Ohio
Attn: Electronic Filing System Registration
801 W. Superior Avenue
Cleveland, Ohio 44113-1830
Facsimile: (216) 357-7040

Once an account has been established, your login and password will be sent to you by the Office of the Clerk by e-mail.

Parties agree to protect the security of their passwords and immediately notify the Clerk of Court if they learn that their password has been compromised. Parties may be subject to sanctions for failure to comply with this provision.

Registered users can visit a [training version](#) of the system on the internet to practice CM/ECF activities. (After clicking on the link, notice the words “Training Database” displayed as the background.) We strongly recommend that registered users practice in the “training” CM/ECF database before filing documents in the “live” CM/ECF database.

Preparation

NOTE: The following tips refer to Adobe Acrobat Software, as they created the PDF format. However, there are alternative PDF software programs available. Please refer to the manufacturer's manual for software specific instructions/troubleshooting.

Setting Up Acrobat PDF Reader

Users must set up Adobe's Acrobat Reader or similar software in order to view documents that have been electronically filed in CM/ECF. All documents must be filed in PDF format. When installing this product, please review and follow Adobe's (or manufacturer's) directions to utilize Acrobat Reader (or similar software) after installation.

Portable Document Format (PDF)

Only Portable Document Format (PDF) documents may be filed with the court using the CM/ECF system. Before uploading documents in CM/ECF, users should preview the PDF document to ensure that it appears in its entirety and in the proper format. Contact the Court's Help Desk with any questions at 800-355-8498.

How to View a PDF File

- Start the Adobe Acrobat program.
- Go to the **File** menu and choose **Open**.
- Click on the location and file name of the document to be viewed.
- If the designated location is correct, and the file is in PDF format, Adobe Acrobat Exchange loads the file and displays it on the screen.
- If the displayed document is larger than the screen or consists of multiple pages, use the scroll bars to move through the document.
- Click on the **View** menu for other options for viewing the displayed document. Choose the option that is most appropriate for the document.

How to Convert Documents to PDF Format

All documents must be converted to PDF format before submitting them in CM/ECF. There are several ways in which a document can be converted from a word processing program into PDF format. The newer versions of some common word processors include the ability to publish a document to PDF that is built right into the wordprocessing software.

From WordPerfect Version 9 and higher:

- Open the document.
- From the menu bar, click on FILE and, using the drop-down menu, select PUBLISH TO PDF.
- Name the file, giving it the extension .pdf, and click the SAVE button.
- The file is now saved in PDF format under the designated file name.

OR

- Click on FILE and, using the drop-down menu, select PRINT.
- Change the printer to ADOBE PDF and click PRINT.
- Name the document and click SAVE. Document will be saved in PDF format.

For earlier WordPerfect versions, versions of Microsoft Word/Microsoft Office products and/or other software applications:

- Install PDF conversion software on computer and follow the specific manufactures software instructions.

Selecting CM/ECF Features

CM/ECF provides the following features that are accessible from the **blue** menu bar at the top of the opening screen:

- Civil** To electronically open a civil case, file all civil case pleadings, motions, and other court documents.
- Criminal** To electronically file all criminal case pleadings, motions, and other court documents.
- Query** To query CM/ECF by specific case number, party name, nature of suit, etc. and retrieve documents that are relevant to a case. (You must login to **PACER** before you can query in CM/ECF)

- Utilities** To view your personal CM/ECF transaction log and maintain personal CM/ECF account information.
- Search** To search keywords to find the proper event to electronically file documents.
- Logout** To exit from CM/ECF and prevent further filing with your password until the next time you log in.

Civil Events Feature

The Civil feature of CM/ECF is used to electronically file and docket with the Court a variety of pleadings and other documents for civil cases. Use the Search feature in the blue menu bar to find events, or [Click here](#) for a complete list of civil events.

For information on locating the correct event when electronically filing, [click here](#).

Signatures/Sworn Documents/Affidavits

Attorneys should electronically sign documents before filing. An electronic signature is as follows: s/John Doe. Documents which must contain original signatures or which require either verification or an unsworn declaration under any rule or statute shall be scanned and filed electronically, with originally executed copies maintained by the filer.

In the case of a stipulation or other document to be signed by two or more persons, the following procedure should be used:

- (a) The filing party or attorney shall initially confirm that the content of the document is acceptable to all persons required to sign the document.
- (b) The filing party or attorney then shall file the document electronically, indicating the signatories, e.g., "s/Jane Doe," "s/John Doe," etc. on the signature blocks.
- (c) The filing party or attorney shall retain the hard copy of the document containing the original signatures after the case ends, at least until the time for all appeals has expired.

Sworn documents, i.e. affidavits requiring original signatures or signatures of notaries, shall be filed by scanning the document containing all necessary signatures. The filing party or attorney shall retain the hard copy of the document containing the original signatures until the case ends and the time for all appeals has expired.

A non-filing signatory or party who disputes the authenticity of an electronically filed document containing multiple signatures or the authenticity of the signatures themselves must file an objection to the document within ten days of receiving the Notice of Electronic Filing.

Filing of Complaint or Notice of Removal/Payment of Filing Fee/Summons

Initial complaints, notices of removal and payments of filing fees should be done electronically. However, initiating documents and fees may still be manually submitted to one of the four offices of the Northern District of Ohio (Cleveland, Akron, Youngstown and Toledo).

Local Rule 3.13(a) requires the filing of a Civil Cover Sheet along with a Complaint or Notice of Removal. If filing electronically, this should be filed as an attachment to the initiating document, along with Summons and/or Marshal Forms, if applicable.

Filing Documents in Civil Cases

After successfully logging into CM/ECF, follow these steps to file a document:

1.) Select the type of document to file

Select **Civil** from the **blue** menu bar at the top of the CM/ECF screen.

The Civil Event window opens, displaying all of the categories of events to choose. Below is an example of filing a **Motion** in CM/ECF. The process is similar for filing other documents in CM/ECF.

Click on **Motions**, under **Motions and Related Filings**:

The Motions screen appears and displays a motion selection field with a scroll bar next to it. Scroll through the menu until you find the type of motion being filed. You may also begin typing keywords in the text box.

NOTE: If you cannot find the motion event to exactly match your filing, choose Order under the Motions category. You will be prompted to describe your filing.

For this example, highlight 'Show Cause', and click on **Next**.

NOTE: If the document being filed contains more than one **Motion**, click on each motion type separately. Each part of the motion will display in the 'Selected Events' section to the right.

2.) Enter the case number in which the document is to be filed

On the next screen, enter the number of the case for which you are filing a motion, click **Find This Case** and click **Next**.

Verify that the case number and caption are correct:

Motions Training Database
[1: 10-cv-00001-PAG Plaintiff v. Defendant](#)

3.) Designate the party/parties filing the document

Highlight the name of the party or parties for whom you are filing the motion. If you represent all defendants or all plaintiffs, you may select the entire group by holding down the control key while pointing and clicking on each party of the group, or choose the “All Defendants” or “All Plaintiffs” radio button. After highlighting the parties filing the motion, click on the **Next** button.

If this is your first filing in this case in CM/ECF, you will need to make an attorney/party association. If you represent the listed party, **DO NOT** remove the check. You would only uncheck the box on the left if the attorney **DOES NOT** represent the party listed.

Click **Next**.

4.) Specify the PDF file name and location for the document to be filed

The next screen displays a field for locating and entering the PDF file of the document being filed.

Click on the **Browse** button and locate your document to be filed.

NOTE: It is imperative that you attach an electronic copy of the actual document when prompted by the system. All documents that you intend to file in CM/ECF **MUST** be in PDF format. Otherwise, CM/ECF will not accept the document.

In order to verify that you have selected the correct document and that it contains all pages, right mouse click on the highlighted file name to open a quick menu and left mouse click on **Open With**.

Adobe Acrobat or Acrobat Reader will launch and open the PDF document that you have selected. Once you have verified the document is correct, close Adobe Acrobat and click on the **Open** button, or double-click on the file name. CM/ECF closes the **Choose File** screen and inserts the PDF file name and location.

In the event that you selected and highlighted a file that is not in PDF format, CM/ECF will display the following error message after you click on the **NEXT** button:

Click on the **Back** button and CM/ECF will return to the previous screen. Select and highlight the PDF file of your document and proceed as before. If you fail to select a document, CM/ECF will display the following error message:

If you click OK from this screen, CM/ECF will return you to the previous screen. You cannot proceed without attaching a PDF document.

5.) Add attachments to document being filed

To attach supporting documents to your motion:

- a.) **Under Attachments, click Browse.** Search your computer for the document file name of the attachment, find the document, right-click to verify the document is correct, then double-click it and CM/ECF will insert it in the Filename field.

- b.) Describe Attachments.** Choose from either the **Category** drop down menu, **Description** text box where you can type a description, or both. If you choose both **Category** and **Description**, CM/ECF will display the Category name first, then the Description name in the docket text.

The use of ‘Exhibit 1’ or ‘Appendix 1’ does not provide enough descriptive information. All attachments must be fully and accurately described. If an attachment is not named, an error message will display after selecting **Next**.

NOTE: The CM/ECF system provides a warning if the document you are about to submit is larger than 15 megabytes. Although documents that are 15 megabytes or larger will not be rejected by the system if you continue to file them, it is generally recommended that for the convenience of all users, you consider dividing the document into its component parts, or two or more smaller attachments, before filing them electronically. (This suggestion does not apply to the filing of transcripts in Social Security Cases, which should be filed as a single document whenever possible.)

For the convenience of both chambers and the parties, attachments should be clearly labeled to provide users with a concise description of the contents of the document.

8.) Receive Notice of Electronic Filing

CM/ECF opens a new window displaying an CM/ECF filing receipt called the **Notice of Electronic Filing:**

This notice provides confirmation that CM/ECF has registered your transaction and the filing is now an official court document. It also displays the date and time of the transaction and the docket number assigned to the filing.

- To print the notice, select **PRINT** on the browser toolbar and print the document receipt.
- To save the notice, select **FILE** on the browser menu bar and choose **SAVE AS** from the drop-down.
- CM/ECF will electronically transmit the **Notice of Electronic Filing** to the attorneys and parties to the case who are set up to receive electronic notification. The CM/ECF filing report also displays the names and addresses of individuals who will not be electronically notified of the filing but will need to be served manually.
- It is the **filer's responsibility** to serve paper copies of the filing **and** the Notice of Electronic Filing to attorneys and *pro se* parties who are not set up for electronic notification.

Case participants that receive electronic notification of the filing are permitted one “free look” at the document by clicking on the associated hyperlink document number embedded in the **Notice of Electronic Filing**. The “free look” is only available during the first 15 days after the docket entry is made and will expire then or immediately after the first use.

The Court strongly urges users to save a copy of the **Notice of Electronic Filing** *and* the document to your hard drive for future access. Subsequent retrieval of the case docket sheet and documents from CM/ECF must be made through your PACER account and will be subject to standard PACER fees.

Criminal Events Feature

The Criminal feature of CM/ECF is used to electronically file and docket with the Court a variety of pleadings and other documents for criminal cases. [Click here](#) for a complete list of Criminal events.

For information on locating the correct event when electronically filing, [click here](#).

Filing Documents in Criminal Cases

The steps involved in filing a criminal document are similar to those in civil:

1.) Select the type of document to file

This section describes the process for filing a motion in CM/ECF for a criminal case. The process is similar for filing other documents.

Select **Criminal** from the **blue** menu bar at the top of the CM/ECF Screen.

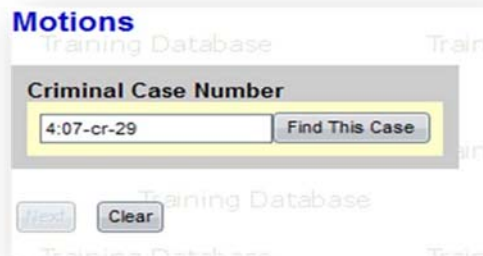

Select **Motions**, under **Motions and Related Filings**.

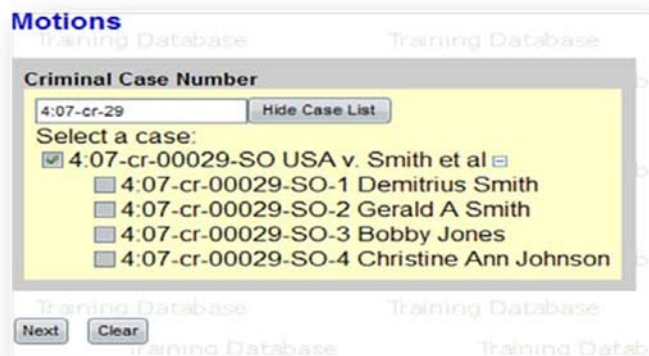

Click **Next**.

2.) Enter the case number in which the document is to be filed

Enter the case number, and then click **Find This Case**. CM/ECF will search the Court's database for the case number.

If multiple cases or multiple defendants are found for the same case number, check the box next to the case number or defendant for this filing.

CM/ECF assigns a separate case number to each defendant. Click the boxes to place a check next to each defendant's name that your filing relates to. If it relates to all defendants in the case, check the top box as indicated and leave the other boxes unchecked.

When finished selecting defendants, click **NEXT**.

3.) Verify that the case number and caption are correct

Click **NEXT**.

4.) Designate the party/parties filing the document

Highlight the name of the party or parties for whom you are filing the motion. If filing on behalf of all defendants you may select the entire group by holding down the **CONTROL** key while pointing and clicking on each party in the group.

After highlighting the parties filing the motion, click **NEXT**.

If this is your first filing in this case, you will need to make an attorney/party association. If you represent the listed party, **DO NOT** remove the check. You would only uncheck the box on the left if the attorney **does not** represent the party listed.

Click **Next**.

5.) Search for the correct event

This screen allows you to search for an event under the **Motions** category. Locate the type of motion you are filing. You may also search by typing at least the first three letters of the description of the motion. Click on the event name to select it. In this example, select **Disclosure**. If you select the wrong event, click on it under **Selected Events** and it will be removed from the list.

NOTE: If the type of motion you are filing does not appear in the list, select Miscellaneous Relief. You will be prompted to describe your filing.

Click **Next**.

9.) Submit the document

A new window appears with the complete text for the docket report. **There is a full path and filename feature that displays on the Final Docket Text screen during docketing.** This will allow you to confirm that the proper documents have been uploaded before posting the document.

Also on this screen the following warning is displayed:

Review the docket text and correct any errors. If any errors are found, please contact the Clerk's Office or Help Desk for assistance.

Click **Next** to submit the filing.

NOTE: At any time prior to this step, you can abort the CM/ECF filing by clicking on any menu on the [blue](#) CM/ECF menu bar at the top of your screen. CM/ECF will reset to the beginning of the process you just selected.

10.) Receive Notice of Electronic Filing

CM/ECF opens a new window displaying an CM/ECF filing receipt called the **Notice of Electronic Filing**:

This notice provides confirmation that CM/ECF has registered your transaction and the filing is now an official court document. It also displays the date and time of the transaction and the docket number assigned to the filing.

- To print the notice, select **PRINT** on the browser toolbar and print the document receipt.
- To save the notice, select **FILE** on the browser menu bar and choose **SAVE AS** from the drop-down.
- CM/ECF will electronically transmit the **Notice of Electronic Filing** to the attorneys and parties to the case who are set up to receive electronic notice. The CM/ECF filing report also displays the names and addresses of individuals who will not be electronically notified of the filing but will need to be served manually.
- It is the **filer's responsibility** to serve paper copies of the filing **and** the Notice of Electronic Filing to attorneys and *pro se* parties who are not set up for electronic notification.

Case participants that receive electronic notification of the filing are permitted one “free look” at the document by clicking on the associated hyperlink document number embedded in the **Notice of Electronic Filing**. The “free look” is only available during the first 15 days after the docket entry is made and will expire then or immediately after the first use.

The Court strongly urges users to save a copy of the **Notice of Electronic Filing** and document to your hard drive for future access. Subsequent retrieval of the case docket sheet and documents from CM/ECF must be made through your PACER account and will be subject to standard PACER fees.

Query Feature

The Query feature allows a search of specific case information by case number, nature of suit, cause of action, party name, etc. Click on Query from the **blue** menu bar of CM/ECF.

Note: Your PACER login and password are different from your CM/ECF login and password. You must have a PACER account in order to retrieve, view and print certain documents. Your PACER account is used to bill you for the documents you view or download. To register, contact PACER online at www.pacer.psc.uscourts.gov.

Below is the Query screen. After information is entered, click **Run Query**.

The screenshot shows a web interface for a 'Query' function. At the top, there are three tabs labeled 'Query', 'Training Database', and 'Training Database'. The main content area is titled 'Search Clues' and contains several input fields: 'Case Number' (a text box), 'Case Status' (radio buttons for 'Open', 'Closed', and 'All'), 'Filed Date' (two text boxes with 'to' between them), 'Last Entry Date' (two text boxes with 'to' between them), 'Nature of Suit' (a dropdown menu with options '0 (zero)', '110 (Insurance)', and '120 (Contract: Marine)'), 'Cause of Action' (a dropdown menu with options '0 (No cause code entered)', '00:0000 (00:0000 Cause Code Unknown)', and '02:0431 (02:431 Fed. Election Commission: Failure Enforce C)'), 'Last/Business Name' (a text box with '(Examples: Desoto, Des*t)' to its right), 'First Name' (a text box), 'Middle Name' (a text box), and 'Type' (a dropdown menu). At the bottom of the form are two buttons: 'Run Query' and 'Clear'. There are also faint 'Training Database' labels at the bottom of the page.

If searching by a party or attorney name and more than one person with that name is in the database, CM/ECF returns a screen from which to select the correct name. If the individual is a party to more than one case, CM/ECF will open a screen listing all of the cases for that party. Click on the case number hyperlink for CM/ECF to show all query options.

Adding Secondary E-mail Addresses in CM/ECF

The system provides attorneys with the ability to add and configure secondary e-mail addresses. Attorneys may add secondary e-mail addresses to have notifications sent to themselves at multiple e-mail addresses as well as to others, including associates, staff and clients.

Each secondary e-mail address can be configured separately to receive notices in all an attorney's cases, or on a case-by-case basis. This flexibility may be particularly useful to attorneys who have multiple practices (i.e. attorneys with both governmental and private practices or attorneys who wish to separate their pro bono work from their other activity). This feature may also be helpful to those attorneys who receive assistance from different support staff based on the nature of each case.

Like the primary e-mail address, secondary e-mail addresses are initially configured to receive e-mail notifications in all cases by default. However, an attorney can change the default settings for a secondary e-mail address when it is entered into the system or at any time thereafter so that the address only receives notices in those cases selected by the attorney.

- 1.) Log into the "Live" system. (Refer to [Step-by-Step](#) section in this Manual for instructions)

NOTE: The "Live" electronic filing system and the "Training Area" are different systems. Setting your e-mail notification in one system does not set it in the other.

- 2.) Click on **Utilities**

- 3.) Click on **Maintain Your Account**

- 4.) Click on **Email Information**. To add a secondary e-mail address, click on the “add new email address” link found under “Secondary e-mail addresses”. Enter your e-mail address in the “Configuration options” box.

- 5.) Upon entering an e-mail address in the “Configuration options” box, the following screen will appear. Answer the following questions:

- 6.) To receive notification of activity for other cases, enter the case number in the following format: YY-#### (ex. 09-51) in the “Add additional cases for noticing” box and click on “Find This Case”. You do not have to be a party in the cases entered in this field.

Additional Information Regarding CM/ECF

Filing Documents Under Seal

Local Civil Rule 5.2 and Local Criminal Rule 49.4

No document will be accepted for filing under seal unless a statute, court rule, or prior court order authorizes the filing of sealed documents. If no statute, rule, or prior order authorizes filing under seal, the document will not be filed under seal.

Materials to be sealed shall be filed electronically whenever possible pursuant to the Court's Electronic Filing [Policies and Procedures Manual](#). Sealed documents which exceed the size limitations for electronic filing shall be presented in an envelope which shows the citation of the statute or rule or the filing date of the court order authorizing the sealing, and the name, address and telephone number of the person filing the documents.

NOTE: There are only two events to be used to electronically file documents under seal, both in civil and criminal cases. If a motion is to be filed under seal, choose the event "SEALED MOTION", located under the **Motions** category. If the document to be filed under seal is NOT a motion, choose the event "SEALED DOCUMENT", located under the **Other Documents** category.

If the sealing of the document purports to be authorized by court order, the electronically filed sealed document shall be linked to the order authorizing the sealing. For manually filed sealed documents, the person filing the documents shall include a copy of the order in the envelope. If the order does not authorize the filing under seal, or the electronic filing is not linked to the order, or in the case of manual filing no order is provided, the Clerk will unseal the documents. Before unsealing the documents, the Clerk will notify the electronic filer by telephone. If the document was manually filed, the Clerk will notify the person whose name and telephone number appears on the envelope in person (if he or she is present at the time of filing) or by telephone. The filer may withdraw the documents before 4:00 p.m. the day the Clerk notifies him or her of the defect. If not withdrawn, the documents will be unsealed.

After the entry of a final judgment or an appellate mandate, if appealed, the sealed record will be shipped to the Federal Records Center in accordance with the disposition schedule set forth in the guide to Judiciary Policies and Procedures.

Demonstration of Filing Sealed Documents

A demonstration explaining the procedure for filing documents under seal has been placed on the [Electronic Case Filing page](#) of the Northern District of Ohio's website, under **Video Demonstrations – Filing Sealed Documents**. [Click here](#) for a direct link to view the demonstration. This should be viewed prior to filing sealed documents in the CM/ECF system for the first time.

Requesting Leave of Court to File Documents/Proposed Orders

If requesting **leave of Court** to file a document, such as an amended complaint, the proposed document shall be attached as an exhibit to the motion for leave. If your motion is granted, the order may direct you to electronically file your document with the Court. Carefully read the Order for specific instructions.

Proposed orders should be filed as attachments to the motion. If you neglected to file the proposed order as an attachment to the motion, you may file your Proposed Order as a separate document. Under both the Civil and Criminal menus, locate **Other Filings**, click on **Other Documents**, then select **Proposed Order**.

Manual Filings

The Northern District of Ohio has mandated electronic filing. A “Notice of Failure to File Electronically” will be issued when documents are not filed electronically. The Court recognizes, however, that some documents or objects cannot be scanned or reduced to an electronic format, or they exceed the recommended limit of 15 MB per component part. In these certain, limited circumstances, users may be excused from filing a particular component electronically. Such components must be manually filed with the Clerk of Court and served upon the parties in accordance with the applicable Federal Rules of Civil and Criminal Procedure and the Local Rules for filing and service of non-electronic documents.

Whenever a party makes an electronic filing which excludes a component that will be filed manually, the electronic filing must include a “Notice of Manual Filing” in place of that component. A model form is provided as **Appendix I**.

If a filer cannot electronically file due to technical difficulties, file the document electronically when the technical issues are resolved and attach a “Declaration that Party was Unable to File in a Timely Manner Due to Technical Difficulties”. A model form is provided as **Appendix II**.

Documents Filed In Error

A document incorrectly filed in a case may result from:

- a) uploading the wrong PDF file to a docket entry;
- b) selecting the wrong event from the menu (i.e., Notice of Deposition, Opposition, Praecipe); or
- c) entering the wrong case number and not discovering the error before completing the transaction.

To request a correction, telephone one of the offices listed below as soon as possible after an error is discovered.

Toll Free Help Desk	800-355-8498
Clerk's Office Akron	330-252-6000
Clerk's Office Cleveland	216-357-7000
Clerk's Office Toledo	419-213-5500
Clerks' Office Youngstown	330-884-7400

You will need to provide the case and document number(s) for the document requiring correction. If appropriate, the court will make a notation indicating that the document was filed in error. You will be advised if you need to re-file the document. The CM/ECF system does not permit you to change the misfiled document(s) or incorrect docket entry after the transaction has been accepted.
