

## Instructions for Adding Exhibit Sticker Adobe Stamp

Locate the PDF file called **Exhibit-Stamp.pdf**

Save it to the following location:

c:\users\ *USERNAME* \AppData\Roaming\Adobe\Acrobat\11.0\Stamps

Note: Depending upon your version of Acrobat, you will pick your current version. This example shows Acrobat 11.0. Also, depending upon your version of Windows, and your configuration, the directory structure may be a bit different.

Once Exhibit-Stamp.pdf has been saved to the proper folder, restart Adobe Acrobat.

The stamps will show up under your stamps as Exhibit Stamp.
