Pursuant to the Court’s inherent authority and the authority pursuant to Rule 11 of the Federal Rules of Civil Procedure, no attorney for a party, or a pro se party, may use Artificial Intelligence (“AI”) in the preparation of any filing submitted to the Court. Parties and their counsel who violate this AI ban may face sanctions, including, inter alia, striking the pleading from the record, the imposition of economic sanctions or contempt, and dismissal of the lawsuit. The Court does not intend this AI ban to apply to information gathered from legal search engines, such as Westlaw or LexisNexis, or Internet search engines, such as Google or Bing. All parties and their counsel have a duty to immediately inform the Court if they discover the use of AI in any document filed in this case. Furthermore, to preserve Rule 11 accountability, the Court prohibits any attorney assistance without appearance or disclosure or undisclosed attorney ghostwriting (otherwise known as shadow counsel) in this case.

IT IS SO ORDERED.
